FAI

Consequences for Stakeholders

1. Complex **Judical Process** (10 months)
2. WADA Rules **versus** „Common Sense“
3. Hundereds of **Hours** of Controversy
4. Thousands of **Money** spent
5. Athlete´ s Perception of: "**Injustice**"
6. **Loss of Trust** into Administration, Federation
7. Worldwide **Blaming** of Airsports

FAI

Can / Shall we do something about it?

FAI has to decide on that !

FAI

FAI / ASCs have to decide on !

1. Can we do something?
2. Do we want to?
3. Do we have to?
4. How should it be done?

Ongoing worldwide **WADA** Evolution

Reference: WADA RTP Regulations (2008) 65 pages

1. **READ:** WADA Code and Regulations
2. **REVIEW:** FAI Agreements so far; Redisuss!
3. **ASSESSMENT:** Doping Risk, Groups, Main Areas
4. **PLAN:** What, How, When, Why, Money

Assessment: RISK for Doping

1. **High Risk** for Doping
2. **Medium Risk** for Doping
3. **Low Risk** for Doping

Assessment: Probability of Doping

- Empirically: Experiences in the Past?
- Physiological Effect: for ex: Amphetamines ?
- Status: Winners ? (become "President" ?)
- Money Impact: Earning much Money ?

General **present** Perception

WADA wants to see, that FAI is willing to support the ***WADA Philosophy***.

FAI has to prove, that we **take care**

A lot of **procedures** are (?) **up to us** !?!

We have to **include**: Athletes, NACs, ASCs

Upcoming **FAI – TASKS, PLAN**

_FAI - WADA ANTI DOPING PROGRAM 2011 ff

1. Review FAI Status
2. Assessment of FAI Airports, where is Focus?
3. Hotspots ?
4. Suggest a line of FAI-Action
5. Future FAI Anti Doping Plan (FAI EB-based !)
