

Report on 2002 RC Soaring World Cup

By Tomáš Bartovský, (Czech Republic)

F3B

Unfortunately there is no result in F3B World Cup. There was only one F3B World Cup contest scheduled in the FAI Sporting Calendar and this event had to be cancelled because of bad weather.

F3J

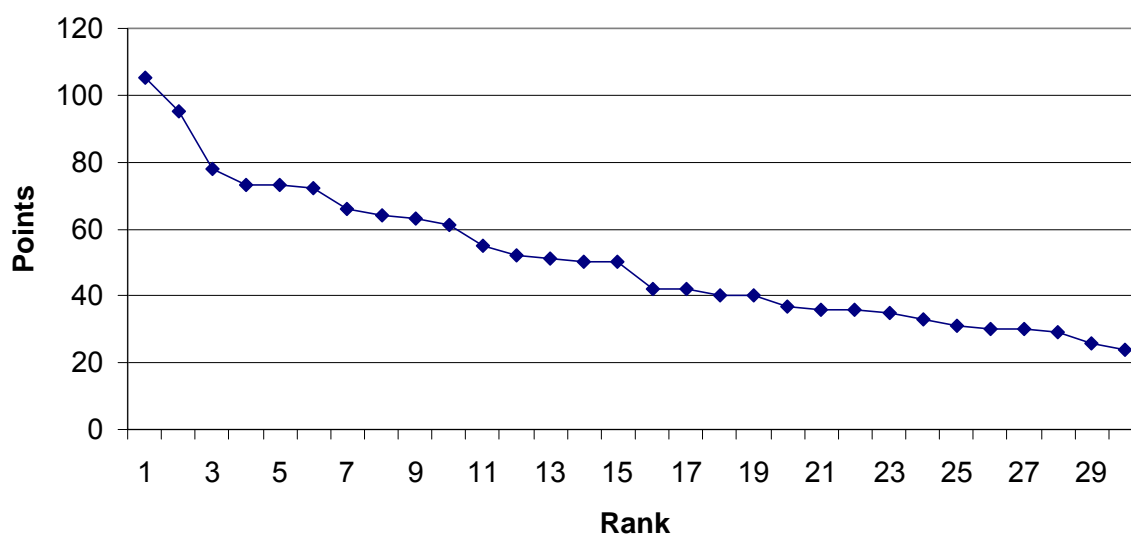

In F3J the situation is much better. The number of events as well as the number of participating pilots is stable and keeps the same level as in previous years. The most visited event was held at Martin, Slovakia, with 81 participating pilots, followed by contest at Bled, Slovenia, with 76 pilots.

The winner is Luboš Pazderka (CZE) with 105 points, who is also the reigning European Champion from 2001. He is followed by Jaroslav Tupec (CZE) 10 points behind him and Philip Kolb (GER) with additional 17 points distance.
