

Following the proposal from the Hellenic Aeronautical and Airsports Federation to amend Article 3.9.6 Insurance at the CASI meeting in Incheon, Korea, the meeting charged the working party to review the proposal and present any recommendations for approval. The following is the recommended amendment to 3.9.6 Insurance.

**3.9.6 INSURANCE** Competition organizers should consider obtaining Public Liability Insurance to protect participants and Organizers. Organizers should consider recommending that participating NACs and/or competitors carry individual health and accident insurance. (AL 2)

Add additional paragraph:

**“ Competition organizers that intend to offer insurance cover to competitors, must provide the full terms and conditions of such cover to all competitors, in English and at least six weeks prior to registration. Any such insurance offered must comply with the minimum requirements set by the contest rules.”**
